Persona	desc
 Aarushi "I want to understand and care for my skin better." Aarushi is a 23-year-old student living in Kathmandu, Nepal. - combination skin - frequent online shopper - prefers mobile use	Aarushi is a university student who often struggles with finding the right skincare products. She recently became more interested in skincare and is looking for affordable, trustworthy solutions tailored to her skin type. She prefers platforms that are simple, educational, and support local payment options like eSewa. Goal Understand her skin type to pick the right products. Find reliable and affordable skincare tailored to her needs. Make quick and easy purchases using familiar local payment methods. Challenges Unsure what works for combination skin. Gets overwhelmed by product choices and long checkout flows. Doesn't trust international payment systems or long delivery times. Opportunities .Gloomy can become her go-to source for education + product suggestions. eSewa integration gives her confidence to make purchases. A clean, mobile-friendly experience with helpful product descriptions can build her trust and loyalty.
